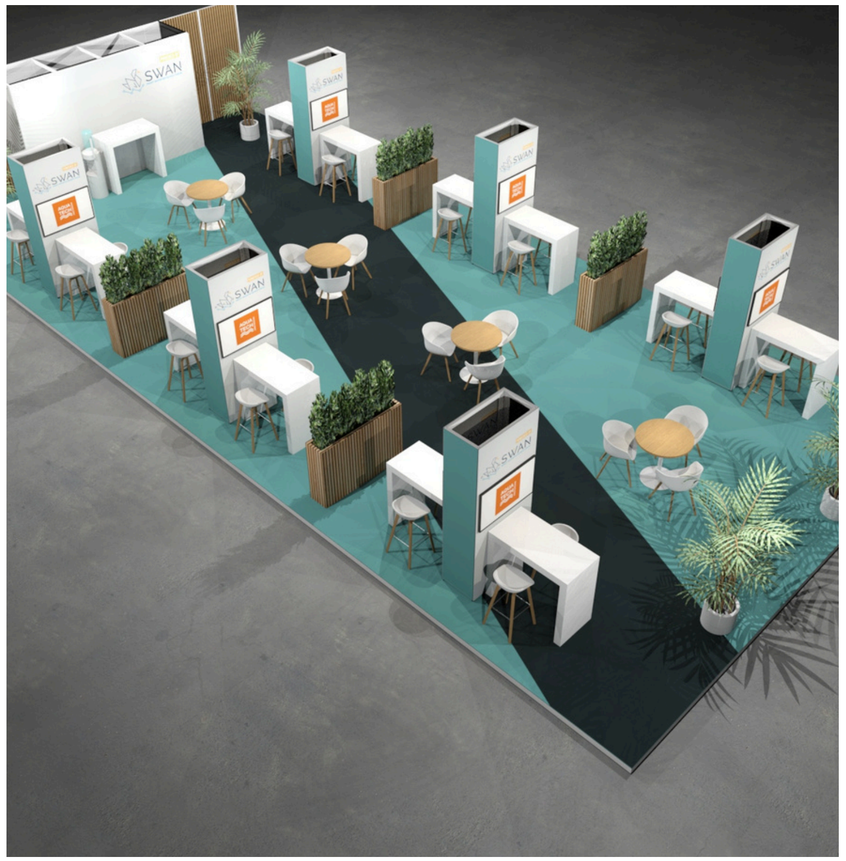
Unlocking the value of the water cycle
DIGITAL & AI PAVILION



Position your brand at the forefront of digital water innovation in the Digital & AI Pavilion at Aquatech Amsterdam.
As part of the interconnected Digital & AI Pavilion and Digital & AI World, this dedicated area offers maximum visibility among companies showcasing smart, data-driven and AI-powered solutions.
Connect with a highly targeted audience, generate quality leads, and strengthen your thought leadership through participation in the SWAN-led content programme.

An efficient way to showcase your innovation, engage decision-makers and be part of Aquatech's fast-growing digital ecosystem.

The Digital & AI Pavilion costs €4,500 and the package consists of:

- 1 pod (100 × 50 × 250)
- 6 m² floor space
- TV support bracket
- Fabric print
- High table with 2 stools
- Power socket, electricity 3 kW
- LED spotlight lighting

Please note: prices are indicative , excluding a € 545 non-refundable registration fee per exhibitor and subject to change.
